In Re: Application of Jackson Energy Cooperative Corp.
for an Adjustment of Rates
Case No. 2007-00333

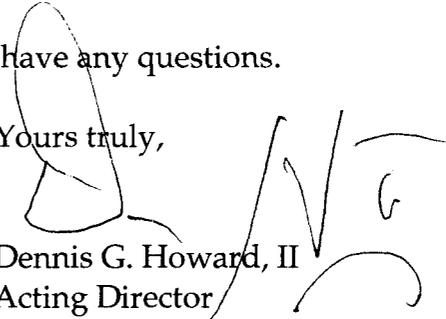

Dear Ms. Stumbo:

This letter is to follow up on a question that arose during the course of the hearing in the above-styled matter, which was held on April 15, 2007.

Staff counsel asked the Attorney General whether he would object to the effective date of the company's new proposed depreciation rates, which the company proposes to be made effective on January 1, 2008. The Attorney General does not object to this proposed effective date.

Please do not hesitate to contact me should you have any questions.

Yours truly,

Dennis G. Howard, II
Acting Director
Office of Rate Intervention
